Part V: Liability Release & Agreements

Please read the information below carefully. Check each item that you have read and understand.

- Animal Rescue of Tracy will provide all supplies unless foster parent wishes to donate. (Food, litter, crate, medications, bowls, etc.)
- All supplies given to foster parent are to be returned.
- Animal Rescue of Tracy must approve ALL veterinary services. Any medical services without prior supervisor approval will not be reimbursed, including emergency care, routine care, vaccinations. You will be provided with an emergency number.
- Any injuries requiring medical care sustained by foster parent, their family and their pets from a foster animal shall be paid for by the foster parent and Animal Rescue of Tracy will not be held liable for said medical costs.
- If you or a member of your family are bit by your foster animal please seek medical care immediately, if necessary and do your best to notify Animal Rescue of Tracy as soon as possible.
- Animal Rescue of Tracy cannot guarantee the health of any animal placed in foster care. Some diseases such as, but not limited to ringworm, kennel cough or upper respiratory disease are contagious to your pets and, in the case of ringworm to humans.
- I agree to a home visit by Animal Rescue of Tracy in my home before I begin fostering for A.R.T.
- If I am no longer able to foster a pet, I agree to contact a Board Member immediately and return the foster animal only to Animal Rescue of Tracy within one week.
- I understand all of the above and agree to foster animals under these guidelines.
